Scott Township Authority

Minutes – June 15, 2026

Scott Township Authority met on the above date in the Township Municipal Building, 350 Tenny Street, Bloomsburg, Pennsylvania. Chairman Mr. Douglas Sitler called the meeting to order at 6:30 p.m. The meeting was opened by saying the Pledge of Allegiance. In attendance were Mr. Gerald Maertz, Mr. Brian Willie, Mr. Fred Dent, Mr. Matthew Turowski, Mr. Channing Keck, and Ms. Nina Allen.

Comments from the Audience- Mr. Joshua Satteson from HRG Engineering attended tonight's meeting to provide updated information about the upgrade project at a pump station located on Lee Street. Mr. Satteson shared with the Board that Act 537 plan had been approved by DEP and a proposal could now be produced upon their request. Mr. Satteson noted that the approved project for additional homes in Apple Run, along with anticipated connections in Orange Township's Woods Edge Development (49) and Stony Brook (68) would nearly exhaust the region's remaining capacity. There was discussion in length about how many EDUs remain in the Lee St pump station's current state versus how many added EDUs will be if an upgrade is completed. In summary, Mr. Satteson told the Board that the Lee Street project completion, even after current interests in Orange Township, will hold an estimated growth of 1,153 more EDUs available at Lee Street pump station. Mr. Satteson further recommended development of a system model of the Scott Township sewer system through a company called SewerCAD. This would provide significant value in evaluating future growth potential and capacity needs from an engineering perspective. Mr. Satteson summarized the feasibility study at Woods Edge, concluding that connecting the development to the Scott Township Authority system is the most cost-effective option. The Board asked that Ms. Allen make copies of Act 537 from DEP to review in July's meeting.

Minutes- Mr. Willie made a motion to approve the May 18, 2026 minutes. Mr. Maertz seconded the motion. Motion carried 4-0.

Bills Presented- The Board reviewed the Bills Presented with some discussion. Mr. Willie made a motion to approve the bills as presented for $236,275.15. Mr. Dent seconded the motion. Motion carried 4-0.

Financial Reports- The Board reviewed the Financial Reports from May 2026 with some discussion.

Financial Investments- The CD with Morgan Stanley matures on July 2nd. Mr. Willie made a motion to purchase a new CD upon maturity, up to $230,000.00 depending on local balances. Mr. Maertz seconded the motion. Motion carried 4-0

Labor Reports- The Labor Reports from May 1, 2026- May 31, 2026 were reviewed by the Board with some discussion. Mr. Keck let the Board know that all manhole rehabs in Meadow Brook, along Crestmont Circle, are completed and the blacktop was finished on the road as of today.

Old Business-

Flow Reports - In May 2026 Scott Township received 4.41inches of rain, down from May 2025 when we received 6.71 inches.

Epoxy Manhole Repair -

Mr. Turowski sent the approved letter to the company responsible for the repairs.

I-80 and 487 Project -

The I-80 & 487 project updates are pending. Mr. Satteson told the Board that all paperwork is complete and are waiting for the next steps.

New Business-

There was no new business to report

Adjournment-

The Board formally adjourned at 7:08 p.m.
The next regularly scheduled meeting is to be held Monday, July 20, 2026 at 6:30 p.m.
